Detailed Plan For Lectures

Week Number	Lecture Number	Broad Topic(Sub Topic)	Chapters/Sections of Text/reference books	Other Readings, Relevant Websites, Audio Visual Aids, software and Virtual Labs	Lecture Description	Learning Outcomes	Pedagogical Tool Demonstration/ Case Study / Images / animation / ppt etc. Planned	Live Examples
Week 1	Lecture 1	Ethics(Definition of ethics)	R-1 R-2	RW-1	L1: Zero lecture L2: Ethics in business world	L1: student will get to know course overview L2: student will learn about ethics in business world	Power point presentation	Live example
	Lecture 2	Ethics(Importance of integrity)	R-1 R-2		L1: Zero lecture L2: Ethics in business world	L1: student will get to know course overview L2: student will learn about ethics in business world	Power point presentation	Live example
		Ethics(Ethics in business world)	R-1 R-2	RW-5	L1: Zero lecture L2: Ethics in business world	L1: student will get to know course overview L2: student will learn about ethics in business world	Power point presentation	Live example
Week 2	Lecture 3	Ethics(improving corporate ethics)	R-1 R-2		L1: Zero lecture L2: Ethics in business world	L1: student will get to know course overview L2: student will learn about ethics in business world	Power point presentation	Live Examples

An instruction plan is only a tentative plan. The teacher may make some changes in his/her teaching plan. The students are advised to use syllabus for preparation of all examinations. The students are expected to keep themselves updated on the contemporary issues related to the course. Upto 20% of the questions in any examination/Academic tasks can be asked from such issues even if not explicitly mentioned in the instruction plan.

Week 2	Lecture 3	Ethics(Creating an ethical work environment)	R-1 R-2	RW-5	L1: Zero lecture L2: Ethics in business world	L1: student will get to know course overview L2: student will learn about ethics in business world	Power point presentation	Live Examples
		Ethics(Ethical decision making)	R-1 R-2	RW-5	L1: Zero lecture L2: Ethics in business world	L1: student will get to know course overview L2: student will learn about ethics in business world	Power point presentation	Live Examples
	Lecture 4	Ethics(Ethics in information technology)	R-1 R-2	RW-5	Corporate ethics and ethics in information technology	Student will learn about ethical behavior of IT professional	Power point presentation	SAS Institute
		Ethics(Ethical behavior of IT professional)	R-1 R-2		Corporate ethics and ethics in information technology	Student will learn about ethical behavior of IT professional	Power point presentation	SAS Institute
		Ethics(Common ethical issues for IT users)	R-1 R-2		Corporate ethics and ethics in information technology	Student will learn about ethical behavior of IT professional	Power point presentation	SAS Institute
		Ethics(Supporting the ethical practices of IT users)	R-1 R-2		Corporate ethics and ethics in information technology	Student will learn about ethical behavior of IT professional	Power point presentation	SAS Institute
		Ethics(Women Empowerment)	R-1 R-2		Corporate ethics and ethics in information technology	Student will learn about ethical behavior of IT professional	Power point presentation	SAS Institute
		Ethics(Ethical aspects of engineering practices)	R-1 R-2		Corporate ethics and ethics in information technology	Student will learn about ethical behavior of IT professional	Power point presentation	SAS Institute
Week 3	Lecture 5	Intellectual Properties(IP'S) (Concept of Intellectual Property)	R-1 R-2	RW-6	Patent , how to apply for copyright,trademarks and patents	Student will get to know about procedure to apply for patents, copyrights and trademarks	Power point presentation	presentation Department of Industrial Policy and Promotion (COPYRIGHT OFFICE)

Week 3	Lecture 5	Intellectual Properties(IP'S) (Copyright and Trademark)	R-1 R-2		Patent , how to apply for copyright,trademarks and patents	Student will get to know about procedure to apply for patents, copyrights and trademarks	Power point presentation	presentation Department of Industrial Policy and Promotion (COPYRIGHT OFFICE)
	Lecture 6	Intellectual Properties(IP'S) (Different kinds of marks (brand names, logos, signatures, symbols, well known marks, certification marks and service marks)	R-1 R-2		copyrights, trademark	Student will get to know about copyright and trademarks and there types	Power point presentation	ipindia
Week 4	Lecture 7	Intellectual Properties(IP'S) (Patents)	R-1 R-2		Patents and its introduction	Student will get to know about patents and there types	Power point presentation	ipindia
	Lecture 8	Intellectual Properties(IP'S) (Patents)	R-1 R-2		Patents and its introduction	Student will get to know about patents and there types	Power point presentation	ipindia
Week 5	Lecture 9	Intellectual Properties(IP'S) (Importance of Patent Information in Business Development)	R-1 R-2		Importance of patent in business and laws for patent	Student will get to know about importance of patent registration	Power point presentation	Power point presentation
		Intellectual Properties(IP'S) (Identifying social and engineering issues)	R-1 R-2		Importance of patent in business and laws for patent	Student will get to know about importance of patent registration	Power point presentation	Power point presentation
		Intellectual Properties(IP'S) (conducting analysis and registering claims for intellectual property protection)	R-1 R-2		Importance of patent in business and laws for patent	Student will get to know about importance of patent registration	Power point presentation	Power point presentation
	Lecture 10	Intellectual Properties(IP'S) (Importance of Patent Information in Business Development)	R-1 R-2		Importance of patent in business and laws for patent	Student will get to know about importance of patent registration	Power point presentation	Power point presentation
		Intellectual Properties(IP'S) (Identifying social and engineering issues)	R-1 R-2		Importance of patent in business and laws for patent	Student will get to know about importance of patent registration	Power point presentation	Power point presentation

Week 5	Lecture 10	Intellectual Properties(IP'S) (conducting analysis and registering claims for intellectual property protection)	R-1 R-2		Importance of patent in business and laws for patent	Student will get to know about importance of patent registration	Power point presentation	Power point presentation
Week 6	Lecture 11	Government Funding and Startup schemes(what are Startups)	R-1 R-2		Startup India and NASSCOM initiatives	students will get information about government initiatives	Power point presentation	
		Government Funding and Startup schemes(Startup India benefits)	R-1 R-2		Startup India and NASSCOM initiatives	students will get information about government initiatives	Power point presentation	
		Government Funding and Startup schemes(Resources)	R-1 R-2		Startup India and NASSCOM initiatives	students will get information about government initiatives	Power point presentation	
		Government Funding and Startup schemes(bank loan for start up business)	R-1 R-2		Startup India and NASSCOM initiatives	students will get information about government initiatives	Power point presentation	
		Government Funding and Startup schemes(Start-up India)	R-1 R-2		Startup India and NASSCOM initiatives	students will get information about government initiatives	Power point presentation	
		Government Funding and Startup schemes(10000 startups -A NASSCOM Initiative)	R-1 R-2		Startup India and NASSCOM initiatives	students will get information about government initiatives	Power point presentation	
	Lecture 12	Government Funding and Startup schemes(Export promotion schemes: Software Technology Parks (STPs))	R-1 R-2		Export promotion schemes: Software Technology Parks	Software Technology Parks	power point	
		Government Funding and Startup schemes(Special Economic Zones (SEZ) Scheme)	R-1 R-2		Export promotion schemes: Software Technology Parks	Software Technology Parks	power point	
		Government Funding and Startup schemes(Laws for Startups)	R-1 R-2		Export promotion schemes: Software Technology Parks	Software Technology Parks	power point	

Week 7	Lecture 13	Government Funding and Startup schemes (SBIR,STTR,NSF Grants)	R-1 R-2		Export promotion schemes: Software Technology Parks	Software Technology Parks	power point	
		SPILL OVER						
Week 7	Lecture 14				Spill Over			
		MID-TERM						
Week 8	Lecture 15	Startup in IT(Planning of startup business in IT sector- Executive summary)		RW-2	Planning for Startup business in IT	Students will get to know about business planning	Power point presentation	
		Startup in IT(General company Description)		RW-3	Planning for Startup business in IT	Students will get to know about business planning	Power point presentation	
	Lecture 16	Startup in IT(Products and services, Marketing plan, Operational plan)		RW-1	Product and services, marketing plan and operational plan	Students will get to know about business planning, marketing and operational plan	Power Point	
		Startup in IT(Management and organization)		RW-1	Product and services, marketing plan and operational plan	Students will get to know about business planning, marketing and operational plan	Power Point	
Week 9	Lecture 17	Startup in IT(Personal Financial Statement)	R-1 R-2		Startup Expenses and Capitalization	Startup Expenses and Capitalization	power point	
		Startup in IT(Startup Expenses and Capitalization)	R-1 R-2		Startup Expenses and Capitalization	Startup Expenses and Capitalization	power point	
		Startup in IT(Financial Plan, Appendices, Refining the Plan)	R-1 R-2		Startup Expenses and Capitalization	Startup Expenses and Capitalization	power point	
		Startup in IT(Examples of Successful Start-ups)	R-1 R-2		Startup Expenses and Capitalization	Startup Expenses and Capitalization	power point	
	Lecture 18				Test			
Week 10	Lecture 19	Companies(Introduction to IT and ITES industry (Product based, Services based))	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Introduction to NASSCOM)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	

An instruction plan is only a tentative plan. The teacher may make some changes in his/her teaching plan. The students are advised to use syllabus for preparation of all examinations. The students are expected to keep themselves updated on the contemporary issues related to the course. Upto 20% of the questions in any examination/Academic tasks can be asked from such issues even if not explicitly mentioned in the instruction plan.

Week 10	Lecture 19	Companies(STPI)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Overview on latest IT projects with global impact)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Case study of an IT industry (Product based and Services based))	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Recent technology advancement)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Current affairs related with the IT industry)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Diversity in the Workforce)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
	Lecture 20	Companies(Introduction to IT and ITES industry (Product based, Services based))	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Introduction to NASSCOM)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(STPI)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Overview on latest IT projects with global impact)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Case study of an IT industry (Product based and Services based))	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	

Week 10	Lecture 20	Companies(Recent technology advancement)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Current affairs related with the IT industry)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Diversity in the Workforce)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
Week 11	Lecture 21	Companies(Introduction to IT and ITES industry (Product based, Services based))	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Introduction to NASSCOM)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(STPI)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Overview on latest IT projects with global impact)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Case study of an IT industry (Product based and Services based))	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Recent technology advancement)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Current affairs related with the IT industry)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
		Companies(Diversity in the Workforce)	R-1 R-2	RW-7 RW-8	Introduction to IT and ITES industry (Product based, Services based)	Introduction to IT and ITES industry (Product based, Services based)	power point	
	Lecture 22				Assignment - Case based			

Week 12	Lecture 23	Ethical and Professional issues in Information Security(Law and Ethics in Information Security)	R-1 R-2		Organizational Liability and the Need for Counsel	Student will get to know about laws in Information security	Power point presentation	
		Ethical and Professional issues in Information Security(Organizational Liability and the Need for Counsel)	R-1 R-2		Organizational Liability and the Need for Counsel	Student will get to know about laws in Information security	Power point presentation	
	Lecture 24	Ethical and Professional issues in Information Security(Policy Versus Law)	R-1 R-2	RW-4	Organizational Liability and the Need for Counsel	Organizational Liability and the Need for Counsel	Power point presentation	
Week 13	Lecture 25	Ethical and Professional issues in Information Security(Cyber Crime)	R-1 R-2		Cyber law of India	student will get to know Cyber law of India	Power point presentation	
		Ethical and Professional issues in Information Security(Cyber-crime on the rise)	R-1 R-2		Cyber law of India	student will get to know Cyber law of India	Power point presentation	
		Ethical and Professional issues in Information Security(Need for cyber law in India)	R-1 R-2		Cyber law of India	student will get to know Cyber law of India	Power point presentation	
	Lecture 26	Ethical and Professional issues in Information Security(Ethical dilemmas in project management)	R-1 R-2		Need for cyber law in India	Student are able to know about Need for cyber law in India	Power Point Presentation	
		Ethical and Professional issues in Information Security(Principles of arbitration and alternative dispute resolution)	R-1 R-2		Need for cyber law in India	Student are able to know about Need for cyber law in India	Power Point Presentation	
Week 14	Lecture 27	Ethical and Professional issues in Information Security(Hands on tools for cyber security)	R-1 R-2		Need for cyber law in India	Student are able to know about Need for cyber law in India	Power Point Presentation	
		Ethical and Professional issues in Information Security(case studies on cyber crimes)	R-1 R-2		Need for cyber law in India	Student are able to know about Need for cyber law in India	Power Point Presentation	
		SPILL OVER						
Week 14	Lecture 28				Spill Over			
Week 15	Lecture 29				Spill Over			

An instruction plan is only a tentative plan. The teacher may make some changes in his/her teaching plan. The students are advised to use syllabus for preparation of all examinations. The students are expected to keep themselves updated on the contemporary issues related to the course. Upto 20% of the questions in any examination/Academic tasks can be asked from such issues even if not explicitly mentioned in the instruction plan.

Scheme for CA:

CA Category of this Course Code is:A0202 (2 out of 2)

Component	Weightage (%)	Mapped CO(s)
Assignment - Case based	50	CO2
Test	50	CO1, CO3, CO4, CO5, CO6

Details of Academic Task(s)

Academic Task	Objective	Detail of Academic Task	Nature of Academic Task (group/individuals)	Academic Task Mode	Marks	Allottment / submission Week
Assignment - Case based	CA1	Student groups will be formed, and each group will be tasked with thoroughly analyzing the broader problem statement. Students will be expected to develop a well-structured and innovative solution of the identified problem statement.Rubrics to be followed: Identification of Problem Statement and formulation of Objectives15 Marks Analysis of Existing Case Studies (Study of Literature) - 15 Marks Originality and Innovation- 20 Marks Use of Relevant Terminology (Problem Solution) - 15 Marks Clarity and Organization (Documentation)- 20 Marks Presentation Skills- 15 Marks These marks will be prorated with the marks obtained by the student out of 30 marks.	Group	Online	30	3 / 11
Test	CA2	MCQ	Individual	Offline	30	8 / 9
